

**CITY OF GLOBE**  
**Information Technology Intern**

**JOB POSTING 16-20**

An internship in Information Technology is available with the City of Globe for a passionate, tech-savvy and dependable student. The initial term will last six (6) months with the potential for additional terms. This internship offers practical work experience and will involve challenging opportunities and real technical projects. This is a great opportunity to gain hands-on experience in the computer field.

**ESSENTIAL DUTIES AND RESPONSIBILITIES**

- Works directly with the City's IT consultant to repair, maintain and improve the City's information technology infrastructure.
- Responds to user requests for service, troubleshoot problems and help develop solutions.
- Perform other duties/projects as assigned.

**DESIRED MINIMUM QUALIFICATIONS**

Six months work experience with computer desktop support in a networked environment  
Be available to work 10 hours but no more than 19 hours a week  
Commit for at least six (6) months  
Experience developing and maintaining websites  
Pursuing a degree in a computer related field

**Compensation:** The Intern will not be eligible for compensation during the first six (6) months of employment. Following the first term, the Intern will be evaluated and may be offered an additional six (6) month term with compensation.

Applications are available at City Hall, 150 N. Pine Street, Monday through Friday, 8:00 a.m. to 5:00 p.m., or on our website at [www.globeaz.gov](http://www.globeaz.gov). Applications with resume or any additional related information must be submitted by **Friday, October 21, 2016 at 5:00 p.m.** at City Hall or by fax at (928) 425-4820. Please respond to **Job 16-20**.
